PRESIDENT'S MESSAGE

CHARLIE ZOLLO
President

I would like to welcome the officials, players and supporters of South Melbourne to Hindmarsh for tonight's clash in the Coca-Cola Soccer League. This game has been deferred from its original date in February due to the overseas commitments of players on both sides.

Tonight should see two teams at full strength giving all they have to ensure a victory.

The World Cup matches played over the last week have proved very popular with supporters, and this has once again showed that as a city, Adelaide really loves it's soccer. Now that the World Cup caravan has left, let's hope that the interest will remain and that our CSL teams can benefit from this.

Last Friday we held another very successful Business Luncheon, with everyone having a great time. I would like to thank our guest speaker, Michael Brock, for his entertaining and interesting comments.

The Black and White Ball is approaching, and those of you who have not yet booked a table should think about doing so whilst there are still some available. If you cannot get enough people together to book a whole table, ring the club and we'll arrange for you to share with others in the same boat. See you on the 26th of March.

On the 21st of March, City will play Preston in the Cup. The venue for this game will be Norwood Oval and kick-off will be at 3.00 pm. It is a little disappointing that this fixture cannot be played at Hindmarsh, as the pitch will not be ready to play on at that time. However we are fortunate that we are able to play the game at Norwood Oval.

Also coming up is the Double-Header, to be played at Adelaide Oval on April 4th. It is a new experience to play at this venue and I would like to thank the S.A.C.A. for their assistance in making this possible. There will be designated areas for sponsors and members and so forth at the ground and don't forget that you can use your regular Adelaide City passes to gain entry.

Please enjoy tonight's game.

Tonight's Visitors

SOUTH MELBOURNE

President G Vasilopoulos

Coach Jim Pyrgolios

South Melbourne arrive tonight with a healthy confidence in themselves and their results of late only serve to support the notion that this confidence is warranted. Coach Jim Pyrgolios will be hoping that South Melbourne can cap this year off with a Grand Final win and add to the Championships of 1984 and 1991.

South Melbourne boast a star studded lineup that is capable of achieving anything on it's day. Paul Wade and Gary Hasler are uncompromising in their approach, and names like Peterson and Tasios spring to mind with ease. Up front, South Melbourne have a devastating combination in Paul Trimboli and Frances Awararite. Trimboli is a great goalscorer, and Awararite will look forward to taking on City's defence and supporters this evening. Add Con Boutisians and Mehmet Durakovic to this line up and it becomes easy to see why South Melbourne have become such a devastating force in the Coca-Cola Soccer League.

Last season saw the honours shared in the League, with City winning 1-0 at Hindmarsh, whilst the return fixture saw South Melbourne win 2-0 at Middle Park. Earlier this season (Round 8) City lost 1-2 in Melbourne.

STEVE CORICA, Marconi's 19-year-old new Socceroo, could be off to Italy at the end of this season.

The magnificent left midfielder has been strongly recommended to First Division side Verona, who have expressed great interest.

Corica could be Australia's second player sold for more than \$500,000 to Europe. Ned Zelic was the first.

And how did Verona get to to know about Corica? Simple.

Marconi import, Italian midfielder Ermanno Pelucchi, was a Verona player before coming to Sydney, and he put in a strong recommendation to his old club.

PHILIPS NATIONAL LEAGUE 1978
ALEXANDER 3, ADELAIDE JUVENTUS 0

After struggling all season at the bottom of the ladder, Fitzroy Alexander has become a contender for the top four after its dashing victory over Adelaide Juventus which made too many changes to remain an affective team.

Alexander deserves special praise for its 3-0 victory over Adelaide Juventus, for the win was achieved without captain Pat Bannon who was still out injured, and Branko Buljevic who limped off in the 22nd minute, to be replaced by Mike Micevski.

Buljevic had been in doubt before the game, as he was carrying an injury sustained in the Philips Cup match against Slavia last Wednesday.

But Bannon and Buljevic could not have done much better than their replacements, Theo Selemidis and Micevski.

These two did all the damaging midfield work and Micevski figured in all three goals.

Whereas Selemidis, Micevski and Ken Taylor were confident, aggressive and creative in midfield, Juventus had no midfield at all.

Coach Edmund Kreft must have regretted using all four imports - Pat McCluskey, Graham Fyfe, John Kosmina and Jim Muir.

As a result of their inclusion, Gary Marocchi and Henry Kolecki were left back home in Adelaide and John Beer and Brian Northcote were on the bench.

The wholesale changes made good team work almost impossible!

Alexander was on top in the early minutes, with Gary Cole making a few dangerous runs, and Andy Bozikas getting into the penalty area a few times, only to be foiled by Jim Muir or Roger Romanowicz.

But Juventus fought back and had at least half the play up to half time.

Fyfe had a good scoring chance early, but his header from eight metres was held by Peter Blasby.

In the 30th minute the Juventus defence cleared a free kick, but the ball went to Ken Taylor who looked set to launch one of his volley specialities, but unfortunately missed the ball altogether!

Kosmina who, like the other forwards, was starved of midfield support, launched a powerful drive just before half time but Blasby tapped it over the bar in a great save.

Two minutes after half-time an excellent Alexander build-up saw Micevski passing to Campbell who darted around Bugsey Nyskohus and belted the ball high into the net for the first goal.

Three minutes later a high ball from Micevski on the left was missed by both Muir and Frank Lister, leaving Campbell to slide in between them and slice the ball up into the net for a spectacular second goal.

Fyfe skirted around the Alexander defenders inside the penalty area and looked certain to score, but he shot straight at Blasby from 10 metres.

The deflected goal came in the 68th minute.

Micevski hit it hard towards the right side of goal, but the ball hit Campbell who was standing in the way, and the deflection left Romanowicz out of position.

Again, the goal capped great lead-up play by Alexander, featuring Selemidis, Cole Campbell and Micevski.

John Beer and Brian Northcote came on too late as substitutes, but Northcote showed how dangerous he can be when his good header brought another fine save from Blasby.

FIFA plans to introduce drugs tests on players at World Cup qualifiers. FIFA's monthly newsletter says "spot checks" will be made after qualifying ties for the first time.

Soccer's world governing body also intends testing extra players at World Cup finals.

Starting with the 1994 finals in the United States, FIFA will continue selecting two players at random for testing after first round matches.

But for the rest of the tournament three players per match will be tested.

SUPPORTERS CLUB The Zebra's Cage...

Last season it took a very late Carl Veart goal to snatch the points for City against South Melbourne in a real Christmas cracker! Maybe tonight will be a different story and we won't have to wait until the death...

ZEBRA TEAM

The Zebras will take on a team of West Adelaide supporters as a curtain raiser to tonight's main game. Coach Cusi Salerno has selected his starting eleven from his squad and the boys are ready to give %100 tonight. The squad is: C. Salerno (captain coach), M. Camarra, A. Picca, C. Pizze, D. Comesso, G. Coppola, P. Girolamo, A. Labrosciano, M. Salerno, J. Lobianco and D. Robinson. Guest players will include S. Spiniello, Z. Matic, J. Nyskohus and F. Lenzi.

On April 4th The Zebras will once again take the field, this time against The Mighty Media Marvels. This team is made up of representatives from print media, the television and radio. They have been organised by Hannibal Rossi, Frank Pangallo and Phil Martin. The game will kick-off at 11.30 as part of the double header at Adelaide Oval.

CHEER SQUAD

The Cheer Squad that sits behind the Coaches Boxes each home game has really caught on and Club President Angelo Picca would like to thank all of those concerned in particular Frank Cecere, for adding a little Brazilian flavour. David Pereira, Nadia Giuliani, Cusi Salerno and Paul Malone. Angelo would like to thank everyone who has made the effort to be part of the atmosphere and welcomes all members to come and join in.

8-BALL

An 8-Ball morning has been organised for next Saturday

(March 20th), starting at 10.00. City players have been invited and we could well see a players' versus supporters tournament. It will be held at Nick's American Pool & 8-Ball at 412 Grand Junction Road, Mansfield Park. Come along and join the fun! Ring Angelo for details on 243 0973.

ZEBRA CLUB PLAYER OF THE YEAR AWARD

PROGRESS SCORES

2. Carlo Talladira	8 points
3. Robert Csoboth	7 points

PLAYER TROPHY

The player who shows the most determination and makes the biggest effort in City's home games this year will win the Zebra Club Player of the Year Award. This award is proudly sponsored by Nick's American Pool & 8-Ball of 412 Grand Junction Road, Mansfield Park. Points for the game against Newcastle were as follows: Carl Veart (3pts), Carlo Talladira (2pts), Steve Maxwell (1pt).

SYDNEY TRIP

A trip to watch City play Marconi is being planned for April 11th. If there is enough interest then we will see a group of dedicated City supporters urging the boys on in what could be a crucial game at Marconi Stadium. Register your interest by contacting Angelo Picca (243 0973), Nadia Giuliani (3328334) or Charlie Pizze (2976700).

MERCHANDISE

Don't forget to have a look at the Zebra merchandise that is sold at the Caravan at the rear of the Grandstand on matchdays. There is a range of different style shirts available, as well as a great selection of Zebra tanktops, caps, headbands and shorts at very reasonable prices. Gear up for the Finals! T-shirts cost just \$15 and you can get a windcheater for \$20. The shirts feature the Zebra logo, the names of the history-making 1991-92 Adelaide City squad and the NSL honours list. The caravan is open from 6.30pm until kick-off.

GHANA, who boast the Youth Championship's \$10 million man, 19-year-old striker Nii Lampety, are rated the outsiders in a tough pool which includes defending youth champion Portugal.

Nineteen-year-old Lampety has already knocked back a reported \$7 million transfer offer – enough to buy the Brisbane Broncos and a couple of other Winfield Cup teams – because he believes he is worth more – much more.

Ghana opened its World Youth campaign against Uruguay in the second match of Saturday night's double header at Lang Park.

P.S. – I hope Nii is NOT starting to believe all that he reads about himself in the papers is true.
